The Democrats Spending Cliff

Democrats' Tax Credit Expansion Cost

The table below presents an estimate of the 10-year cost of the child-related tax provisions if they were made permanent compared to the one-year cost of the temporary policy.

Child-Related Tax Provisions in American Rescue Plan	1-Year Cost (\$ millions)	10-Year Cost (\$ millions)
Child Tax Credit expansion	-100,800	-1,302,300
Child and Dependent Care Tax Credit expansion	-8,600	-91,900
Earned Income Tax Credit expansion*	-13,400	-138,000
Total revenue effect	-122,700	-1,532,100

NEPA State Assignment Expansion Act & NEPA Accountability and Enforcement Act

Allows Federal agencies delegating power in NEPA review authority to relevant state entities to carry out the NEPA review on the agency's behalf

Requires Federal Agencies to complete the NEPA process in three years for proposed projects

Requires agencies to approve or deny permits within 90 days of completion of the NEPA process

Gridlocked: These policies might put Biden's transmission infrastructure plans on hold

Biden wants to spend billions on electricity transmission — but current projects are stuck in red tape.
